GoRaleigh Routes

Route Types
Most GoRaleigh routes are radial routes which begin and end in downtown Raleigh. The “U” routes circulate through an area served as if it were a cross-town route and link with one or more radial routes. The “X” routes are express routes which go from one end of the line to the other without any stops or with limited stops along the length of the route. Stops on these routes are generally available at the beginning and end points of the route.

Frequency Chart
The chart to the left shows the span of service hours of operations corresponding to the day of the week, and the frequency of each route shown in minutes. These are scheduled for each bus route. The minutes listed are approximate. Peak and Off-Peak services hours vary by route. Please refer to individual route schedules for deviations and complete times of service. GoRaleigh provides printed schedules or visit www.GoRaleigh.org.

GoRaleigh Station Boarding Platforms
Every bus that travels through downtown stops at GoRaleigh Station. Located opposite the American National Bank at Martin Street. Information is located in each zone listing the routes that use that stop and their departure times. Schedule and route charts also tell you which zone stops on each route. An information booth is located in the station for GoRaleigh patrons who need assistance or would like to purchase passes.

How do I signal the bus to stop?
To signal an approaching bus to stop, stand near the curb at the bus stop, and signal the bus. The driver will stop when they see that the stop is safe to do so.

How do I recognize my bus?
Each bus is equipped with an identification sign on the front of the bus above the driver, and on the side of the bus, beside the driver. This sign identifies the route on which the bus is operating and the direction it is traveling. Buses that are not operating on a GoRaleigh route will display a message such as “GOTRACIT,” “MAINTENANCE,” or “OUT OF SERVICE” and will not pick up passengers.

How To Disembark
When your bus arrives at your stop, please have your fare ready. Leave your seat and extend your arm to reach the fare reader as the bus comes to a complete stop. Please remain in line after you disembark.
